Dear Voter,

We have received your voted ballot for the March 3, 2020 Presidential Primary Election. Colorado Election Law requires us to compare the signature on your return envelope with the signatures in your voter registration record in order to verify your identity. Unfortunately, either your return envelope did not have a signature or we were unable to verify your signature with those on file.

For your ballot to count, you must complete, sign, and return the enclosed form by Wednesday, March 11, 2020. Please note that you may also be required to return a photocopy of your identification.

If you indicate that you have not voted a ballot, or if you fail to return the enclosed form, we will not count this ballot.

If you indicate that you have not voted a ballot, or if you fail to return the enclosed form, we will not count this ballot. If your ballot contained a signature that was not verifiable, and you do not affirm on the enclosed form that you voted a ballot, we are also required by law to turn over this discrepancy to the District Attorney's Office for investigation.

If you have questions, please contact our office at 720-523-6500. We are open Monday through Friday (except legal holidays) between the hours of 8:00 am to 4:30 pm for your convenience.
